### **Connie's Creamy Cones Unveils a New Flavor Sensation**

**St. Paul, Minnesota – March 16, 2024** – Connie's Creamy Cones, the beloved local ice cream shop known for its handcrafted flavors and community spirit, is excited to announce the launch of its latest creation: "Midwest Marvel." This new flavor is a tribute to Minnesota's rich agricultural heritage, featuring locally sourced ingredients and a taste that captures the heart of the Midwest.

"Midwest Marvel" combines the creamy goodness of Connie's signature ice cream with the sweet tang of Minnesota-grown strawberries, the rich texture of homemade pie crust pieces, and a swirl of luscious honey. It's a flavor that tells a story – one of local farms, family recipes, and the simple joys of summer in Minnesota.

"We're thrilled to introduce 'Midwest Marvel' to our menu," said Connie Johnson, founder of Connie's Creamy Cones. "It's more than just a new flavor; it's a celebration of our community and the local farmers who make our treats possible. We can't wait for our customers to try it!"
